

Executive DMs of FinTech Services

INTRODUCTION

An InnovateMR partner conducted a US-based study focusing on C-Level and IT executives at companies with more than 100 full-time employees and a revenue above \$50M annually. These executives in select industries also needed to be fintech decision makers in charge of company-wide technology adoption.

RESULTS

This client required N = 150 C-level or IT execs with fintech decision-making power at select mid-level to enterprise companies. The InnovateMR team delivered N = 150 high-quality completes, 76 from online panel and 74 from CATI (Computer-Assisted Telephone Interviewing).
